

WINTER WATCH

The Winter Watch Program is recommended

Our service department will monitor the weather and schedule appropriate service visits.

We will pump water off solid covers and pump water level down in mesh covered pools.

This will prevent covers from falling in and water levels from reaching tiles and copings and causing damage.

All Accounts Must Be Paid In Full, Before Your Pool Can Be Scheduled For Closing

To avoid any additional charges: ALL pools must be cleaned of leaves and debris and water level lowered (3" below skimmer for a solid cover and 18" from top of pool deck for a mesh cover) before your scheduled closing date.

Please fill out **BOTTOM** of this form completely, detach and return to Crystal Clear with your deposit of 50% to insure getting your desired date. **PAYMENT IN FULL IS DUE UPON COMPLETION OF WORK**
